READERS SURVEY

In order to be able to bring you an even more interesting magazine, we'd like to know more about you and your preferences. All letters from readers are carefully considered by us. Editors of every publication from the largest to the smallest know that a letter from a reader probably reflects the opinions of 499 other readers who never got around to writing a brickbat or bouquet. Nevertheless, we'd like to hear from the many who just never get around to writing a letter, so we've designed this questionnaire to learn more about you than we know now. If you'd like to offer further comments on the questions, we'd be delighted to read them—just attach a separate sheet. You may send a photocopy of the form if you'd rather not tear the page out of your copy of the magazine. Yes, anonymous answers will be considered—we'll know they reflect opinions of a reader.
